

CERTIFIED BUBBLE DEVELOPER

This certificate is awarded to

Neven M

For successfully completing Softify Camp Bubble Academy:

Softify Camp

Issued on March 25, 2025

Softify hereby certifies that this individual has successfully completed a rigorous problem-solving examination designed to assess their knowledge and expertise in Bubble as a visual programming language. This certification confirms that the individual possesses the necessary skills to independently develop and deliver projects with a high level of proficiency.
